

Love Letters

Intro;

The sky may be starless the night may be moonless,
but deep in my heart there's a glow.
For deep in my heart I know that you love me,
You love me, because you told me so.

Verse 1

Love letters straight from your heart
Keep us so near while apart,
I'm not alone in the night
When I can have all the love you write.

Verse 2

I memorize every line
And I kiss the name that you sign,
And, darling, then I read again from the start,
Love letters straight from your heart.

I memorize every line
And I kiss the name that you sign,
And, darling, then I read again from the start,
Love letters straight from your heart.
