A Message from the Coastal Harmony Regional Executive Committee

As we come to the end of the first of a two-year regional governance pilot, we are excited with the progress the new team has made in adding more educational resources and opportunities for our membership. Most notable in our progress this past year has been the introduction of a new website to improve our outreach and support capabilities and the expansion the Resource Team adding many new roles that have more definition and structure.

There are numerous opportunities across the region from education to organization and networking. To get involved in the region, we invite you all to consider volunteering! Check out the “Get Involved” area under Documents in our Members Only portion of the website at www.coastalharmony.org.

We want to add our best wishes to all competitors for joyful contest experience. And, of course, special thanks to all the volunteers who have worked tirelessly to make this year’s annual contest a success!

All the best,
Lizzie, Debbie and Fran

Harmony on the Beach!

Can't believe another year and passed and we are ready to blast Daytona with some awesome BARBERSHOP!! Sending out good vibes to all the quartets and choruses who will cross that stage this weekend.

Have a great time!

In harmony,
Marsha Williams
Chair of the Regional Convention

Welcome to Daytona and Region 9's "Harmony on the Beach"! As your newly appointed competition coordinator, I am honored to be a part of such an amazing region and hope that everyone who attends will revel in the excitement brought about by celebrating each other, rekindling old friendships and forging new ones! I have had the humbling task of stepping into a position that has been more than successfully filled by Dee Lahr for the past 17 years and my goal is to continue in her footsteps to provide the best competition experience possible.

Best of luck to all competitors, leave it all out on the stage and make some wonderful memories!

Lisa Adams
Competition Coordinator

Hilton Head Shore Notes Chorus Seeks a Director

The Hilton Head Shore Notes Chorus in Hilton Head Island, South Carolina, is a 30-member competing chapter of Sweet Adelines International (SAI). Chartered in 2002, the chorus has earned many regional medals, the most recent being First Place in Division A category and Fifth Place Overall at the 2017 Region 9 Competition in Daytona, FL.

The chorus is looking for a musical director who has SAI director experience or barbershop directing experience, strong leadership and organizational skills, the ability to work with women at all skill levels, and a desire to take the chorus to the next level.

Rehearsals are currently held every Monday evening from 6:45 to 9:30 pm. We have an annual fund-raising show and sing throughout the Christmas season at local retirement homes and other venues. This chorus has a large following in the community and is committed to competing annually striving for high scores.

For more information about the position, contact Search Committee Chair, June Somers at junesomers@roadrunner.com or call 843-342-2708. Send resumé with references via email.
