Dear Chapter-At-Large Member,

As you probably know, our region maintains a website for all Coastal Harmony members, and it contains much information that we hope will be useful to you. Each Region 9 member has a page which shows a variety of information; once the page is set up for you, it then becomes your responsibility to keep your profile updated. This is especially important regarding your email address, as that information feeds directly into our email lists. We encourage you to add a photo of yourself as well as the other details that are requested.

Chapter-At-Large members pay their regional assessments directly to the Regional Finance Coordinator. Dues are payable at the end of the month prior to the month of your anniversary date. You should receive an invoice from the Region 45 days in advance of the due date.

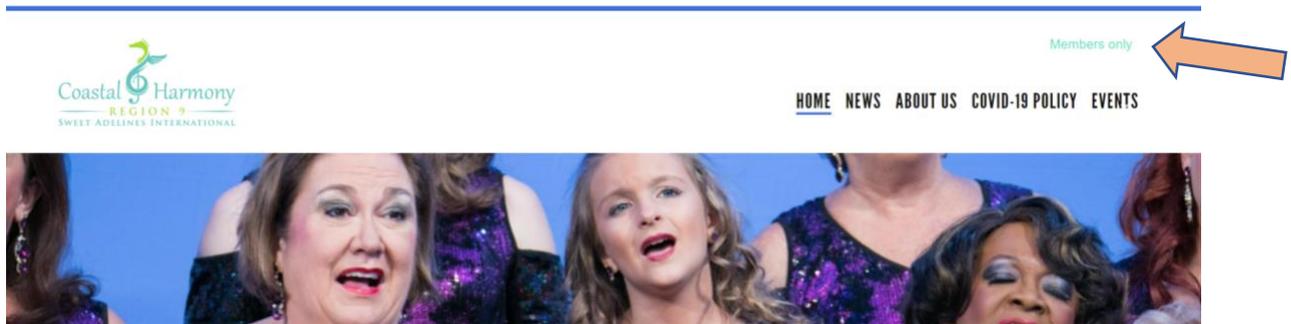

On the CAL page in Groupanizer <http://www.coastalharmony.org> (login required) you can pay your regional dues online via credit card or PayPal. There is also a link to the SAI members-only site where you can log in and pay your International dues online as well. (See the screen shots on the following pages.) The mailing address for checks is: Coastal Harmony Region 9, 200 Compton Street, Port Charlotte, Florida 33954.

In Harmony,

Donna Martin
Regional Membership Coordinator
